

THE GLOBAL CHURCH LEADERSHIP PROFESSORSHIP: A THINK TANK FOR THE CATHOLIC CHURCH

The Global Church Leadership professorship is envisioned as a research unit focusing on ecclesiastical leadership, strategy, administration, management, and other specific issues important in the life of the Church.

The Yearly Academy of Global Church Leadership is an intensive three-day seminar focused on a particular relevant topic.

Participants attending in person can enjoy rich encounters and networking in the heart of Munich. Alternatively, individuals can participate digitally, similar to a webinar. All lectures are available through video conferences and online after prior registration.
- Participants can join individual events either in person or online.
- Participation is free.
