XXIII All Munich Rounds, 11 – 13 February 2027

The Ludwig Maximilian University and the Munich Center for Dispute Resolution are pleased to host the XXII All Munich Rounds from 11 – 13 February 2027.

The project "All Munich Rounds" – Goals and Experiences: Founded in 2005, the All Munich Rounds are the traditional Munich Pre-Moot for the oral pleadings of the Willem C. Vis International Commercial Arbitration Moot. Teams from various universities around the world will gather to practice their oral arguments for this year's case in a friendly and competitive environment, modelled after the oral hearings in Vienna and Hong Kong.

Building on the success of the previous All Munich Rounds, we eagerly anticipate the 23rd edition of the Munich Pre-Moot next spring. We hope that the encounter between teams from different universities will once again foster an intensive and efficient preparation for the competitions in Vienna and Hong Kong.

The target group of the All Munich Rounds consists of motivated teams from all over the world who share a passion and enthusiasm for this competition, thus creating the "moot spirit".

The panels will feature experienced lawyers, professors, research assistants, coaches and former moot participants, providing valuable feedback and insights.

The practice rounds will be complemented by a series of **social events,** offering participants the opportunity to get to know each other and enjoy the city of Munich.

You will find a provisional **schedule** of the All Munich Rounds on the following page. Registered teams will receive a detailed schedule by January 2027.

The organisation of the Munich Pre-Moot is managed by the Munich Center for Dispute Resolution at Ludwig Maximilian University, under the leadership of Prof. Dr. Wolfgang Hau.

A **registration form** is provided on page 3 of this letter. Please submit your registration by **22 November 2026.** This allows us to ensure smooth event planning while giving all interested teams sufficient time to coordinate their plans and secure funding. Since the number of applications typically exceeds the number of teams we can accommodate, we will only be able to provide final confirmation of participation to registered teams shortly after the registration deadline. We kindly ask for your understanding that, to maintain the quality of the All Munich Rounds, a **registration fee** of EUR 180 will be required from participating teams. Further details regarding payment will be provided upon confirmation of participation.

We appreciate your understanding and look forward to welcoming you to Munich.
