<u>Time and Location:</u>	16.04.2026 – 25.06.2026 blocked and individual appointments
<u>Credits:</u>	6 ECTS, successful participation qualifies for writing a bachelor thesis
<u>Language:</u>	English

Course Description

This seminar familiarizes participants with behavioral aspects of decision making under risk – especially in the context of insurance decisions. Classic economic theory will be contrasted with empirical and experimental findings from behavioral science and explanatory approaches based on alternative decision theories will be discussed.

Assignment / Grading

Students are assigned a topic according to their preference ordering, prepare a seminar paper (approx. 10-12 pages) on this topic, and give a 15-minute presentation of their paper. Presentations are followed by a 10-minute group discussion in which active participation is expected. Moreover, students are required to prepare a 5-minute peer-review presentation on one of the other participants' seminar papers. Grading will be based on written (50%) as well as on oral (50%) contributions.

Tentative Schedule

The seminar will take place on the dates listed below. Rooms 312 and 314 are located on the third floor of Schackstr. 4, 80539 Munich. Attendance at all scheduled meetings of the course is mandatory. All times are s.t..

Date	Time	Place	Content
16.04.2026	2 pm – 4 pm	314	Kick-off
17.04.2026	12 pm (noon)	Email	Topic assignment
23.04.2026	2 pm – 4 pm	314	Introduction to EndNote
