IV. Confidentiality

Mutual privacy between Mentor and Mentee will be respected and content of our conversations will be treated confidentially. Topics and content of the mentoring-relationship will not be disclosed to third parties unless both parties have agreed upon. This commitment to discretion will continue once the mentoring-relationship has ended.

V. Problems and premature termination

Despite mutual agreements problems within the mentoring-relationship can arise. In these cases, it is feasible to approach these issues openly. When disagreements arise or the agreement is not complied with, the Kontaktstelle für Gleichstellung und Inklusion (diversity management) will be contacted. If the problems cannot be solved, the Mentoring-agreement can be prematurely terminated by the mentor or the mentee in accordance with the Kontaktstelle für Gleichstellung und Inklusion (diversity management)
