

Join us for celebrating innovation as Insurance Innovation Manager (m/f /d)

Are you ready to dive into the dynamic world of insurance innovation? The InsurTech Hub Munich e.V. (ITHM) is at the forefront of revolutionizing the insurance industry, and we're on the lookout for a creative and enthusiastic Insurance Innovation Manager (m/f/d) to join our team.

Who We Are:

We are a leading InsurTech Hub in Europe, driving innovation in the insurance sector. Our goal is to transform the insurance industry sustainably by leveraging cutting-edge technologies and strategic approaches, offering top-notch solutions to our partners and customers. To define our future portfolio, we are looking for an

Your Role: Insurance Innovation Manager (m/f/d)

Key Responsibilities:

- **Enabling collaboration** – Advance and optimize our knowledge and collaboration platform to expand and grow our footprint in the wider insurance market and related industries, leveraging deep sector expertise for our competitive advantage.
- **Development of new business models** - Develop and implement strategic initiatives in our members and partner ecosystem considering long-term trends and market analyses to ensure sustained growth and competitiveness.
- **Resilient partner network** – Establish and manage a stakeholder network to solidify partnerships and support growth in the dynamic insurance industry.
- **Make innovation visible** by introducing a knowledge and collaboration database to collect, measure and adapt strategy and formats
- **Acting as an internal interface** - Coordinate internal and external stakeholders for effective collaboration.
- **Create thought leadership** – Establish thought leadership through collaboration with industry experts to advance innovative ideas and best practices.

What we're looking for:

- **Experience** - Over 3 years in consultancy or strategic project management, adept at navigating complex business landscapes, ideally with (re) insurance industry clients.
- **Skill** - Exceptional organizational and project management capabilities, strategically ensuring seamless execution of multifaceted initiatives.
- **Industry network** - Strong connections within the wider insurance/reinsurance/Insurtech industry.
- **Expertise** - Deep understanding of the corporate domain, particularly in finance and/or insurance.
