

We are a leading InsurTech Hub in Europe, driving innovation in the insurance sector. Our goal is to transform the insurance industry sustainably by leveraging cutting-edge technologies and strategic approaches, offering top-notch solutions to our partners and customers. To define our future portfolio, we are looking for an

Intern in Insurance Innovation & Business Development (m/f/d)

Munich (onsite), fulltime, 3 months

Your Responsibilities:

- Supporting in the development and implementation of strategic initiatives tailored to the wider insurance industry and our members and partners ecosystem (insurers and reinsurers, tech players, industry giants, etc.)
- Contributing to the analysis and evaluation of market trends and competitive landscapes in the wider financial services sector with a specific focus on insurance and reinsurance
- Participating in the creation of business cases and market analyses relevant to the ecosystem
- Supporting in customer service and optimizing service processes, with a focus on improving members and partner retention and satisfaction with creating an excellent customer lifetime value.
- Participating in cross-functional projects and workshops addressing insurance industry challenges and opportunities.

Your Profile:

- You are enrolled as a student (m/f/d) in a relevant field of study (e.g., business administration, economics, computer science, engineering) for a minimum of 24 months.
- Keen interest and enthusiasm for the insurance and InsurTech industry, its trends and insurance related technology.
- Strong analytical and conceptual skills.
- Independent and proactive working style.
- Open-minded, and creative, bringing innovative perspectives and strategies.
- Excellent communication skills in English, German language skills are a plus
- Superb knowledge of MS Office, especially Excel and PowerPoint are important.

We Offer:

- An exciting and diverse role in a dynamic and innovative environment.
- Insights into the latest trends and developments in the InsurTech field.
- Subsidised accommodation on offer in the [WERK1 Coliving](#), the center of the Munich startup ecosystem
- The opportunity to gain valuable practical experience and contribute your own ideas.
