The LMU Munich School of Management is structured in terms of content into clusters and cross-sectional topics. The bundling of competencies in research and teaching guarantee networked communication and professional exchange at a top level. In total, there are five clusters at the School of Management with different research foci. The clusters work closely with the **Centers of Excellence** and other scientific institutions.

Final Learning Agreement

- To be done in the first week(s) of the semester, the earlier the more focus on the courses is possible.
- On the other hand please wait until you are sure to have the FINAL course choice – also check the exam dates to avoid clashes/ time shifts
- Go to several classes in the first week(s) of the semester and then decide which classes you take
- Two possibilities (ask the home university which one they prefer):
 - fill in the „Changes“ part in the initial LA
 - set up a new agreement

Do not overstrain yourself!
