

INSTITUTE FOR STRATEGY, TECHNOLOGY
AND ORGANIZATION

Student Assistant (m/f/d)

The Institute for Strategy, Technology and Organization (ISTO) is looking for **one student assistant (m/f/d)** to strengthen our team for **8-10 hours per week** starting **as soon as possible**.

Your Tasks

- Be actively involved in the creation, preparation and maintenance of data sets
- Support current research projects by reviewing state-of-the-art research
- Engage in diverse projects associated with our teaching, conferences, online presence, and other exciting initiatives
- Researching articles on social, economic, and technological topics relevant to the institute

We offer flexible working hours, a very good working atmosphere and openness for own ideas. Working at ISTO also allows you to gain insights into the work of a renowned scientific institution and to be part of a young and motivated team. Our institute is located 5 minutes walking distance from the main building of LMU.

Your Qualifications

- High levels of accuracy, personal initiative, organizational skills, and the ability to work in a team
- Good computer and MS Office skills
- Profound English skills
- Good communication skills
- Experience in Content Management or IT preferred
- Passion for research in the field of strategy, digital innovations, and new technologies

About ISTO

The Institute for Strategy, Technology and Organization (ISTO) is a renowned research institution at the LMU Faculty of Business Administration. The focus of our research and teaching activities covers the areas of strategy, technology, and organization and, in particular, their intersections. ISTO is regularly in close exchange with researchers worldwide in the course of international research projects.
