

INSTITUTE FOR ACCOUNTING AND CONTROL

Join Our Research Team at LMU Munich!

About us

The [Institute for Accounting and Control](#) at LMU Munich, one of Germany's leading universities, focuses on researching incentive and control problems within firms using both analytical and empirical methods.

Join us if you are curious, ambitious, and ready to challenge yourself. Join our team and embark on a journey that's more than just a PhD. Over the next 3–4 years, you'll invest in your personal and professional development, gain deep research expertise, learn new skills, and grow beyond your boundaries — academically and personally.

Research and Teaching Assistant (m/f/x)

Start: **November 1, 2025, or later** at the Institute for Accounting and Control at LMU Munich

What you will do

- You conduct research at the highest level, interrelated with the [research fields](#) of the Institute.
- Collaborate closely with an active, supportive team.
- Present your work at leading international conferences and workshops.

Who you are

- You hold or are finishing a Master degree in Business, Economics, or related fields.
- You're fluent in English and eager to work both independently and in a team.
- You're motivated, curious, and ready to grow.

What we offer

- A vibrant, international research environment with passionate colleagues.
- Access to the DFG-funded TRR 266 "[Accounting for Transparency](#)", a major collaborative research project across top German universities.
- Freedom to explore diverse methods – from analytical or empirical models to AI-supported analyses.
- Benefit from excellent development opportunities through our strong ties to practice via joint research projects.
- A workplace in central Munich, near the English Garden, with a strong academic-social balance (e.g., bike tours, skiing, and more!).
- A position with salary based on the TV-L scheme (TV-L 13 75% position).
- The opportunity of pursuing a doctorate, including the completion of the [Master of Business Research \(MBR\)](#).
