ManyLabsDACH – Call for Designs

ManyLabsDACH is a large collaborative project in behavioral economics involving 21 labs across Germany, Austria, and Switzerland. Researchers are invited to submit design proposals for a joint many-labs experiment. One design per lab will be selected, implemented across all participating labs, and all contributing labs will receive co-authorship. Interested colleagues are invited to submit a one-page PDF describing their design idea by 10th of May at midnight (to ebdc@ifo.de).
