

The logo features a stylized green 'M' with a white outline, positioned above the text 'BMC Science Seasons'. The text 'BMC' is in a smaller green font, while 'Science Seasons' is in a larger, bold green font with a white outline. The background of the entire image is a photograph of a modern building with large glass windows and a red-brown facade, set against a blue sky with light clouds. A young tree with a wooden support stands in the foreground, and a white, curved structure is visible on the left side.
