### M5\_W Elective Courses

#### **Important:**

- The following elective courses (7M1625) must be booked online by you after enrolment during a set booking period (see "Buchungszeiträume", "Wahlfach 2. Studienabschnitt" in our Campusportal).
- You can only book courses that have no conflicts with other courses already in your curriculum.
- You will be able to book ONE course at the start of the booking period; Erasmus students will then be granted an extended booking period and be able to book for one day longer than LMU students. On this last day you will be able to book as many electives as you are able fit into your curriculum.
