

## Curriculum Vitae

Prof. Dr. rer. nat. habil. Heiko Hermeking

\*September 8<sup>th</sup>, 1966 in Cologne, Germany

### Academic record and positions:

- 3/2009- University-Professor (tenured),  
Head of the  
[Experimental and Molecular Pathology Laboratory](#)  
at the Institute of Pathology, Ludwig-Maximilians-Universität München
- 4/2008-2/2009 University-Professor, Ruhr-University Bochum
- 1/2008- 2/2009 Head of Molecular Tumorpathology, Institute of Pathology  
Faculty of Medicine, Ruhr-University Bochum
- 5/2003-5/2006 Habilitation/Cell Biology, Faculty of Biology, Ludwig-Maximilians-Universität  
München
- 3/2000-12/2007 Independent Research Group Leader, Molecular Oncology  
[Max-Planck-Institute of Biochemistry](#), Martinsried
- 9/1998-2/2000 Research Associate at the Howard Hughes Medical Institute
- 3/1996-2/2000 Postdoctoral research with Prof. [Bert Vogelstein](#) and Prof. Kenneth W. Kinzler  
at the Molecular Genetics Laboratory, Oncology Center,  
[Johns Hopkins University](#) Medical School, Baltimore, USA
- 3/1993-12/1995 Promotion with *summa cum laude*  
Ludwig-Maximilians-Universität München with Prof. Dirk Eick at the Institute of  
Clinical Molecular Biology and Tumorgenetics, Helmholtz Center, Munich
- 3/1992- 1/1993 Diploma-thesis (completed with distinction) with [Prof. Dirk Eick](#) at the Institute of  
Clinical Molecular Biology and Tumorgenetics, Helmholtz Center, Munich
- 1987-1992 Studies of Biology at the Ludwig-Maximilians-Universität München
- 1977-1986 Gymnasium, Bildungszentrum Markdorf, Baden-Württemberg (Abitur: 1.4)

### Areas of interest:

Tumor biology and epigenetics, cellular senescence, cell cycle regulation, genomic instability, and metastasis/EMT with a focus on the role of the c-MYC/p53 network and downstream proteins and microRNAs in these process.
