

SPECIALIZED SURGICAL INTERN – SMALL ANIMAL SURGERY

Ludwig-Maximilians-Universität (LMU) Munich, Germany

The Small Animal Clinic of Ludwig-Maximilians-Universität (LMU) Munich, one of Germany's leading veterinary teaching hospitals, invites applications for a Specialized Surgical Internship position, starting 1 July 2026 or earlier.

This position is designed as an entry position with the clear intention to transition into an ECVS-approved Residency in Small Animal Surgery at the earliest possible time, depending on eligibility and performance.

POSITION DETAILS

Start date: 1 July 2026 (or earlier by agreement)

Contract: Initially 1 year

Employment: 50% position (TV-L E14, German public service salary scheme)

Emergency, night and on-call duties are compensated separately according to tariff

Application deadline: 25 February 2026

THE CLINIC

The LMU Small Animal Clinic is a high-volume, referral-based university hospital exclusively treating dogs and cats, with a 24/7 emergency and intensive care service. The clinic offers a highly collaborative, interdisciplinary environment with board-certified specialists (ECVS, ECVIM, ECVD, ECVN, ECVIM-CA, ECVAA, ECVSMR).

RESPONSIBILITIES

Clinical evaluation, diagnostics and surgical treatment of small animal patients under specialist supervision

Participation in emergency and on-call services

Perioperative and inpatient case management

Teaching and supervision of veterinary students

Participation in clinical research and academic activities

CANDIDATE PROFILE

Veterinary degree with eligibility for licensure to practice veterinary medicine in Germany
Demonstrates strong interest in specialization in small animal surgery
Prior clinical experience in small animal surgery
Completion of a rotating internship or equivalent clinical training is highly desirable
Good command of German language, both spoken and written, is required

Application
