

100 Years of the Schrödinger Equation

An interdisciplinary panel discussion on
the meaning of the wave function, with:

Časlav Brukner (Institute for Quantum Optics
and Quantum Information, Vienna)

Ignacio Cirac (Max Planck Institute for Quantum
Optics, Garching)

Stephan Hartmann (LMU Munich, Munich
Center for Mathematical Philosophy)

Alyssa Ney (LMU Munich, Chair for Metaphysics)

Thursday January 22, 2026

11:00-1:00

Herbert Walther Lecture Hall

Max Planck Center for
Quantum Optics, Garching

MAX-PLANCK-INSTITUT
FÜR QUANTENOPTIK
