Program and lecture documentation (if available)

Monday, November 14th

- *Katrin Auspurg*: Welcome
- *Josef Brüderl, Katrin Auspurg*: Opening Presentation: From Hypotheses to Estimands?
- *Sebastian Bahr*: Do not miss the forest for the trees!
- *Ben Jann, Kristian Bernt Karlson*: Marginal odds ratios: What they are, how to compute them, and why sociologists might want to use them

Parallel Sessions

Session A

- *Hartmut Esser, Julian Seuring*: What is Your Replicandum? The Importance of Theoretical Modeling, Definition of the Target Quantity & Decisions on the Analysis Strategy for the Appropriateness of Replications
- *Iman Dadgar, Roujman Shahbazian*: The effect of ordinal rank on STEM degrees. Does relative deprivation & gratification matter?
- *Johannes Weyer*: Transformative sociology Mixed-methods approach, rooted in analytical sociology
- *Heiner Meulemann*: Life satisfaction between private & occupational life. The mutual causal effects of Life domain preferences & satisfactions over the life course in the Cologne High school panel (CHISP)
- *Claudia Schmiedeberg, Dominik Schober, Christiane Bozoyan*: Disentangling people's fairness of earnings evaluations using distributional survey experiments

Session B

- *David Karpa, Michael Rochlitz*: Authoritarian Surveillance and Public Support for Digital Governance Solutions
- *Christoph Bühler*: Prompt dower, women's bargaining power, and agency during marriage in Egypt

- *Laila Schmitt*: Short- and Long-term Wage Effects During & After Working Part-time for Women and Men: An Analysis using Asymmetric Fixed-effects Models for Western Germany
- *Ole Brüggemann*: Employees' Perceptions of Internal Promotion Penalties: The Role of Gender, Flexibility and Parenthood
- *Benita Combet, Basha Vicari, Britta Matthes*: The role of recruiter and firm characteristics on gender discrimination in candidate selection for male- and female-dominated occupations
- *Felix Wolter, Benedict Mentzel-Kemper*: An Alternative Idea for Assessing the Behavioral Validity of Factorial Survey Experiments: A Demonstration and Discussion Using Data on Stated and Revealed Housing Preferences

Tuesday, November 15th

- *Felix Bader, Henning Best, Ingmar Ehler, Tobias Rüttenauer*: Selective Mobility Contributes to Immigrants' Higher Exposure to Environmental Pollution: A Panel Analysis Spatially Linking Objective Air Quality Data and Micro-Level Survey Data for Germany and England
- *Alexandra Kommol, Nan Zhang*: Life Course Similarity and Refugee-Native Contact in Germany
- *Stefanie Heyne, Jana Kuhleemann, Irena Kogan*: Attitudes towards partnerships with Afghan and Syrian refugees: Evidence from a factorial survey experiment
- *Gunnar Otte, Dave Balzer, Tim Sawert*: Gender homophily in para-social relationships
- *Heiko Rauhut*: Social preferences are learned and adapt to the social environment
- *Alexander Libman, Olga Popova*: Children of Communism: The Former Party Membership and Demand for Redistribution

Panel Discussion on the Past and Future of Analytical Sociology

Impulse presentations by panelists, discussion by the panel and other participants

- Analytical Sociology without Theory of Action? (Andreas Diekmann)
- Cumulative Knowledge in a Realist Sociology. An Action-Theoretical Approach to Truthlikeness (Gert Albert)
- The Recent Turn of Analytical Sociology: The Dismissal of General Theories, of Mental States and of Critical Rationalism (Karl-Dieter Opp)
- Can we make sense of 'analytical sociology' (and, if so, how)? (Werner Raub)

Wednesday, November 16th

- *Achim Edelmann, Sophie Schneider*: Referee Discrimination in the 'Big Five' European Football Leagues after the Introduction of the Video Assistant Referee
- *Malte Reichelt, Christoph Müller*: Temporal clusters and topical salience: How terrorist events affect the employment of Middle Eastern men
- *Joshua Hellyer, Emily Hellriegel, Johanna Gereke, Reinhard Schunck*: Pretty Unequal? Ethnicity, Gender and Returns to Physical Attractiveness in the German Labor Market
- *Axel Franzen, Fabienne Wöhner*: Gender and the evaluation of oral presentations
- *Tobias Wolbring, Juliane Kühn*: Using Deepfakes for Experiments in the Social Sciences: A Study on Discrimination in the Job Application Process
- *Ariane Bertogg, Giulia Dotti Sani*: To the Fifties and back again. Couples' breadwinning arrangements before, during and after COVID-lockdowns in Finland and Germany
- *Sandra Walzenbach, Thomas Hinz*: Which media contents do we trust? Measuring the impact of confirmation bias and objective quality in a factorial survey on Covid-19-related contents

- *Bernhard Kittel, Fabian Kalleitner, David W. Schiestl*: Peers for the fearless: Social norms facilitate preventive behaviour when individuals perceive low COVID-19 health risks
- *Davide Gritti, Stefani Scherer*: Inheritances, gifts and the conditionality of intergenerational norms
- *Andreas Diekmann, Felix Ries, Wojtek Przepiorka*: Emergence of inefficient norms

Thursday, November 17th

- *Nico Sonntag*: On implied and plausible counterfactuals in the estimation of causal effects using panel models: The example of parenthood and life satisfaction
- *Matthias Collischon, Tilman Woerz, Tobias Wolbring*: The effect of relative wages on job and life satisfaction. A Longitudinal Study with Linked Survey and Register Data for Germany
- *Daniel Krähmer, Laura Schächtele, Andreas Schneck*: Care to Share? Investigating Determinants of Code Sharing Behavior in the Social Sciences
- *Axel Franzen, Sebastian Mader*: Do friends make us thrive? A panel study on the causal effect of social capital on subjective wellbeing across three European countries (CH, DE, UK)

Poster Sessions

Monday, November 14th

- *Matthias Collischon, Florian Zimmermann*: Do Organizational Policies Narrow Gender Inequality? Novel Evidence from Longitudinal Employer-Employee Data
- *Lisa Herrmann*: More information - fewer dropouts? The influence of being informed on dropping out of vocational training
- *Martin Ulrich*: Removed from real life(?) - Linking Hradil's (1987) social positions to Covid-19 conspiracism
- *Rebecca Ney*: Structural Conditions of Pregnancy Prevention Programmes to Enhance the Access & Motivation in Utilisation. A Vignette Study
- *Tetiana Dovbishchuk, Stefanie Kley*: Green Space in the Residential Area and Moving Decisions: Does Green Neighborhood Matter? – **Poster Award Bronze**
- *Sebastian Bähr, Matthias Collischon*: Latent and manifest benefits of work (LaMB) in a large-scale German survey – **Poster Award Bronze**
- *Alexander Ehlert, Denis Ribeaud, Manuel Eisner, Heiko Rauhut*: Giving the benefit of the doubt: The role of honesty, signs and signals in sequential trusting decisions
- *Charlotte Haußmann, Lea Schwan*: Understanding Justice Attitudes – An Empirical Test of the Social Production Function (SPF)
- *Jens Heumann, Michael Shanahan*: Increased stress reactivity threshold in victims of bullying

Tuesday, November 15th

- *Sandra Jaworeck, Michele Haink, Peter Kriwy*: Blaming the victim? Results of a vignette study on the stigmatization of HIV-positive individuals
- *Alena Klenke, Sebastian Schnettler, Michael Feldhaus*: The Use of Wearable Sensors in Family Studies – A preparatory study on barriers and problems in application
- *Judith Lehmann*: Developing an Explanatory Model for the Causal Effect of Body Weight on Wages

- *Vincent Oberhauser, Heiko Rauhut*: Belief in honesty norms promotes compensation for cheating behavior - **Poster Award Bronze**
- *Carina Toussaint, Hans Dietrich, Alexander Patzina, Tobias Wolbring*: The influence of study program characteristics on study intentions: Evidence from a factorial survey experiment
- *Julia Jerke, Antonia Velicu, Heiko Rauhut*: A biased mind: Significance as a publication booster? - **Poster Award Silver**
- *Fabian Thiel, Theresa Wieland*: Unequal Climate Change – Which Factors affect the Willingness to Change to Climate-friendly Behavior?
- *Ann-Lea Buzzi, Axel Franzen*: The measurement of risk aversion
- *Fabienne Wöhner*: Work flexibly, travel actively? The impact of telework and flextime on active travel in Switzerland - **Poster Award Gold**
- *Olga Griaznova*: Out of sight, out of mind: What happens to human solidarity during the pandemic?
