SUPERVISION OF EARLY CAREER RESEARCHERS

I am primary supervisor of several dissertations (completed theses since 2019):

- Schneck, Andreas (completed 2019). Das Problem dysfunktionaler Reputationssysteme am Beispiel von Fehlverhalten und Diskriminierung in der Wissenschaft
- Tekles, Alexander (completed 2022). Studies in the sociology of sciences: gender inequalities, scientific productivity, and potential measurement bias.
- Schmitt, Laila (completed 2023). Working hours and the gender wage gap.
- Düval, Sabine (completed 2023). Experimental studies on the sharing of work within couples.
- Thiel, Fabian (completed 2023). Survey-experimental insights into environmental attitudes.

I am frequently engaged as mentor of female scientists (ongoing: Johanna Gerecke, Ph.D.) or part of Habilitation committees (ongoing: Michael Neureiter, Ph.D.; Dr. Chiara Lisciandria)

TEACHING EXPERIENCE

I offered several courses in Konstanz (2006-2014), Frankfurt (2014-2015) and Munich (since 2015)

Statistics and Empirical Methods

- Statistics for Social Sciences (Lecture and Tutorial, BA, German)
- Quantitative Empirical Methods (Lecture, BA, German)
- Quantitative Data Analyses with Statistical Software (Lecture, BA, German)
- Evaluation Methods (Research Seminar, MA, German)
- Experimental Methods in Surveys (MA and PhD Level, English)
- Survey Methods (Research Seminar, BA, German)
- Data Analyses with Stata (Seminar, BA, German)
- Measuring of Attitudes and Justice with Factorial Survey Designs (Research Seminar, BA, German)
- Multivariate Data Analyses (Seminar, MA, German)
- Experiments in the Social Sciences (Seminar, BA, German)

Theoretical Sociology

- Analytical Sociology (Seminar, MA, German)

Applied Sociology

- Labor Market Research (Seminar and Lecture, BA and MA, German)
- Environmental Sociology (Seminar, BA, German)
- Sociology of Science (Seminar, MA, German)
- Ethnic Discrimination on Housing Markets (Research Seminar, BA, German)
- Justice Research (Research Seminar, BA, German)
- Research in Higher Education (Seminar, BA, German)
- Family Research: Bargaining and Specialization Processes in Families and Couples (Research Seminar, BA, German)
- Social Inequality: Measurements, Trends, and Underlying Mechanisms (Seminar, MA, German)
- Gender Inequalities on the Labor Market (Seminar, BA, German)

In addition, I offered courses on factorial survey methods or experimental survey methods at the following institutions (mostly in English):

- GESIS Leibniz Institute for Social Sciences, International Summer School on Survey Methodology
- Institute for Social and Economic Research (ISER), University of Essex
- Berlin Social Science Center (Wissenschaftszentrum Berlin für Sozialwissenschaften, WZB)
- German Youth Institute (Deutsches Jugendinstitut, DJI)
- Graduate School „Decision Sciences”, University of Konstanz
- Graduate Program GradAB, German Institute for Employment Research (IAB)
- Research School Business & Economics, University of Siegen
- Taras Shevchenko University, Kiev

ORGANISATION OF CONFERENCES AND WORKSHOPS

- 2024 European Consortium of Sociological Research (ECSR): Three panels on "Reproducibility in Sociology". Organised on behalf of several scientific organizations: the German Academy of Sociology, European Academy of Science, INAS, Society for Sociological Science (S3).
- 2018 Growing inequality – divided society? First Congress of the German Academy of Sociology (local Organization together with Josef Brüderl)
- 2017 European Survey Research Association, 7th Conference in Lisbon, Portugal: Deviations and Fraud in Surveys (together with Thomas Hinz, Natalja Menold, and Peter Winker)
- 2015 Annual Meeting of the American Association of Sociology, Special Groups: Factorial Survey Experiments (together with Thomas Hinz and Guillermina Jasso)
- 2015 European Survey Research Association, 6th Conference in Iceland: Multifactorial Survey Experiments (Factorial Surveys, Choice Experiments and Conjoint Analysis) (together with Carsten Sauer)
- 2013 Universität Konstanz, Frühjahrstagung der Sektion Modellbildung und Simulation: *Theoretische und empirische Modellierung von Segregation und Diskriminierung* (Organisation together with Thomas Hinz)
- 2012 Kongress der deutschen Gesellschaft für Soziologie (Bochum): *Viel Lärm um nichts? – Das Forschungsrating des Wissenschaftsrats für die deutsche Soziologie – Revisited* (Ad-Hoc Gruppe, together with Andreas Diekmann and Thomas Hinz)

SELECTED TALKS
