

# AI for Impact: Civil Society and Public Life

The open innovation programme to leverage AI for the common good.

## WHERE & WHEN:

- Duration: **22 April to 29 May 2024**
- Submission Deadline: **7 April 2024**
- Includes weekly webinars, mentoring sessions online and a **showcase event in Berlin on 29 May 2024**
- Organisers: N3XTCODER in collaboration with Microsoft, and other partners such as AI4Democracy, Paritätischer Wohlfahrtsverband Berlin, Berlin Recycling, the city of Moers, ...

## THE PROGRAMME:

The initiative seeks to use AI to make public life smarter, more inclusive, and to strengthen democracy. It supports and encourages participants to think creatively and interdisciplinarily to develop responsible AI solutions for public sector and civil society challenges.

## YOUR PROFILE:

Ideal for those skilled in data analysis, AI, digital technologies, and other challenge-related fields. You can join with your own project or as a volunteer to support an idea.

## YOUR BENEFITS:

Participants receive Azure credits from Microsoft, mentorship, weekly webinars and project support from top experts from the industry. Finalists will join the final event to present their projects in front of an international audience, access to further dedicated workshops, connections with AI experts and the possibility to develop further their ideas.

ALL ACTIVE PARTICIPANTS WILL RECEIVE A CERTIFICATE OF PARTICIPATION AND ACCESS TO MICROSOFT TECHNOLOGIES TRAINING VOUCHERS, ALONG WITH THE OPPORTUNITY TO FURTHER DEVELOP THEIR IDEA IN THE PHINEO ACCELERATOR FROM NOVEMBER 2024.
