GENeration DEVeloper

Scholarship for students who love to code

Our mission with this scholarship:

SUPPORT YOUNG TECH TALENTS

on their journey as passionate developers

GenDev

The **Generation Developer** Scholarship was established to support aspiring students in the field of computer science to focus on what truly matters: Time to implement your own tech projects.

What you can look forward to

FINANCIAL BOOST

450 € monthly for a full year, giving you the time and flexibility to implement your own software projects and to level up your skills.

NETWORKING

Meet other tech enthusiastic students with whom you can share experiences and ideas to fuel your passion for coding.

WORK SHADOWING

Option to gain exclusive insights by accompanying one of our IT leaders for a day.

TECH EVENTS

Let's have some fun! Let yourself be challenged by our Coding Competitions, Hackathons and much more.

In case you have any questions, please don't hesitate to contact us
