- **Arriving:**

- by Car:

Parking Lots are very rare around the University and in most lots there is an high parking tax so we recommend parking at an periperal S- or U-Bahn station and use public transport for the last mile.

- by public transport:

U-Bahn (Underground / Metro) Lines U3 and U6 Station "Universität"

The Main Entry is between the north and south entry of the station.

Please consult <https://www.mvv-muenchen.de> for schedules and fares or use the MVV App on IOS or Android:

<https://app.mvv-muenchen.de/>

- from Railway:

at Main Railway Station follow the "S" Signs to the tunnel station and take one of the trains in direction "Ostbahnhof" change at "Marienplatz" into U3 in direction „Moosach“ or U6 in direction „Garching-Forschungszentrum“ and exit at "Universität"

- from Air Port:

there are two S-Bahn Lines from Airport to the City: S1 and S8, the Airport is the final station so you can take any train from Airport to city – change at Station „Marienplatz“ into U3/U6

S8 will arrive a bit earlier at Marienplatz, but they start interleaved at Airport, so it doesn't matter.

There is also a Bus „Lufthansa Express Bus“ (also in the MVV fares included) from Airport to U6 Station „Nordfriedhof“ but it could be a bit crowded during the main traffic times.

Generally calculate for around 60 minutes from/to Airport plus the usual Baggage claim or check in times.
