Opportunities on the Munich Job Market for Students and Recent Graduates of All Disciplines

The job market is undergoing a transformation. AI is changing the world of work. Global political developments are creating uncertainty. However, Munich is a dynamic city offering many opportunities. In this webinar, we analyse current trends in the Munich job market, focusing on specific sectors such as IT & Tech, Automotive, Finance, Biopharma, Defence, Media, and Startups.

We also provide valuable tips for job hunting and applications.
