MASTER OF SCIENCE PROGRAM IN
PLANT SCIENCES

Attendance list for colloquia (1,5 ECTS, i.e. attending 20 presentations required)

First name	Family name	Matriculation number

In order to finish the Master of Science program in *Plant Sciences*, you are required to get 1.5 ECTS credits worth of colloquia. This means that you have to attend at least 20 scientific presentations during the master's program.

The presentations must be about **45 minutes followed by a discussion**, and you are encouraged to actively engage in the discussion. Scientific presentations at and talks of invited speakers hosted by e.g. the various graduate schools, the Gene Center, the Biochemistry department and the Max Planck Institute are regarded as acceptable colloquia. **Regular lab group seminars will not be taken into account.**

At the end of the colloquium you can ask the host to sign the list. A signature for online talks is not required (please fill in "online"). **The completed list must be submitted to the Examination Office.**

Scheduled presentations are posted at the various Biocenter entrances, bulletin boards and on the faculty website (also see <https://campusmartinsried.de/seminare/>).

	Date	Short title of the talk/ Name of the speaker	Confirmed by (host signature)
