

Workshop

CELL BIOLOGY AND BIOCHEMISTRY OF RECEPTOR KINASES

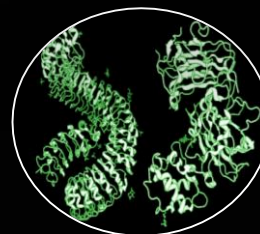

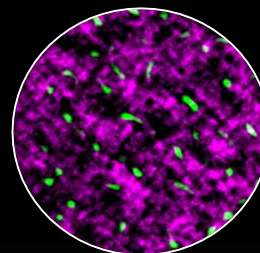

October 9th -11th 2023

Programme:

- *In vivo* and *in vitro* RLK/RLK-ligand interactions
- RLK structure-function analysis
- Cell biology of RLKs – from tissue to the nanoscale
- Functional analysis of RLKs in plant-microbe interactions

Invited speakers:

- Simona Radutoiu
- Georg Felix
- Frank Menke
- Elwira Smakowska-Luzan
- Yvonne Stahl

DFG TRR356 Plant-Microbe
