

PhD Student Recruitment Summer Workshop

Join us now!

*Biomedical Sciences at
The Chinese University of Hong Kong*

Calling for Applications from Outstanding Candidates for the 2026 PhD Student Recruitment Summer Workshop organised by The School of Biomedical Sciences, The Chinese University of Hong Kong!

Join us for an exclusive session to learn more about the PhD Programme in Biomedical Sciences at The Chinese University of Hong Kong (CUHK). Discover world-class research opportunities, engage with leading faculty members, and gain valuable insights into the prestigious Hong Kong PhD Fellowship Scheme (HKPFS). Connect with researchers, participate in academic discussions, and take the next step toward an impactful research career.

For further information about the workshop, our school and our PhD Programme, please feel free to visit our [Workshop Website](#), [School Website](#) or [Programme Webpage](#).
