

**Declaration of consent  
for the publication of my professional data  
in LMU/LSM internet and intranet sites  
(including LSM-Twitter, Bluesky, LSM-Instagram and LSM-Facebook accounts)**

Last Name, First Name:

Department:

I declare, as far as this is officially necessary- and having the possibility to revoke at any time, I agree that in the context of LSM/LMU Internet, twitter, instagram and intranet sites, in addition to my name (including academic degree and title), my position and my work address including room number, the following personal data are published:

- |   |                               |                                   |
|---|-------------------------------|-----------------------------------|
| 1. Official title                                   | <input type="checkbox"/> yes, | <input type="checkbox"/> no       |
| 2. Office number, please note your office number    | <input type="checkbox"/> yes, | <input type="checkbox"/> no       |
| 3. Work E-mail address<br>(email address in print): | <input type="checkbox"/> yes  | <input type="checkbox"/> no       |
| 4. Photo (send to coordinator)                      | <input type="checkbox"/> yes  | <input type="checkbox"/> no _____ |
| 5. Alumni member                                    | <input type="checkbox"/> yes  | <input type="checkbox"/> no       |

I am aware that the electronic publication of my personal data can also entail some risk, especially those from unwanted 3<sup>rd</sup> parties, e.g. the commercial use and hence possible unauthorized spreading.

I am also aware that I give this declaration voluntarily and it won't cause any disadvantage to me, if I refrain from giving a declaration. After the completion of my doctoral project from the LSM/LMU, my personal data will be removed in a timely fashion, unless I have agreed to be a part of the Alumni page. I have received the information about the admissibility and publication of all employee data in LMU internet sites and I have taken notice of it.

Munich,

.....  
(Signature)
