LUNCHTIME COLLOQUIUM

EARTH FUTURES

DEPARTMENT OF GEOGRAPHY

04-11-2026 | **ANABELA CARVALHO**
University of Minho, Portugal

What climate futures? Young people's political imaginaries and the politics of possibility

11-11-2026 | **SEBASTIAN SIPPEL**
University of Leipzig, Germany

Understanding recent European drought trends and simulation of plausible worst-case heat summers

02-12-2026 | **XINYUE YE**
University of Alabama, United States

The geography of resilience: human dynamics and GeoAI in a changing environment

27-01-2027 | **STEPHAN TREUKE**
Emschergenossenschaft und Lippeverband, Germany

The Emscher Conversion and its impulses for sustainable urban and regional development

03-02-2027 | **AMALI AMALI**
Ludwig-Maximilians-Universität München, Germany

What past land-use change teaches us about future forest-based climate solutions

YOU ARE WELCOME TO BRING YOUR OWN LUNCH
Luisenstr. 37 – Room C106 – 12:00–13:00

COORDINATION

Eoin Grealis · Denise Gutiérrez · Pia Kindermann
