

Declaration of „Green Travel“

I, _____, hereby declare on oath that I will travel to my internship in accordance with the Green Travel requirements of the Erasmus+ program. This means that I will use low-emission means of transportation such as train, bus or carpool for the majority of the travel distance (min. 50% of the total trip). For this I will receive a subsidy in the amount of 50,00 €.

In the table below I have ticked my internship country and whether I will cover the outward and/or return journey by “Green Traveling” (*).

I am aware that the travel documents (tickets) are subject to a retention period of at least five years. This period begins at the end of the calendar year in which the tickets were issued.
