

## Learning Agreement Guidelines and Instructions

*Put the Learning Agreement and the instructions for the Learning Agreement in front of you!*

1. Please fill in the Learning Agreement completely and conscientiously in English! Example: „Mentor name; position; email; phone“  
Hans Mustermann, CEO, [hans.muster@hub.com](mailto:hans.muster@hub.com), +49 16...  
fill in all data: this applies to the name of the person, their position in the company, their e-mail and their telephone number  
If not all blanks are filled, we cannot accept the Learning Agreement!
2. All blanks in which you can see the following mark [...] in the guide must be filled in by you with your data. You will often find help within the brackets as to which data should be entered there. If something is still unclear, you are welcome to send us an e-mail.  
The first table is to be filled in by you. Table A and C must be filled in by your employer. Table B is filled in either by your faculty or Career Service.
3. The signatures on your document must be original and/or scanned. We cannot accept digital signatures made with tools such as Adobe etc.
4. As a last step, please check again whether you have avoided commonly made mistakes.  
Common mistakes are:
  - Missing signatures
  - Incorrect dates of the internship
  - Missing signature dates
  - Overlooking the header, cf. top right, "Student's name" etc.
  - Fields not filled in and unchecked boxes
5. in case you wish to extend or shorten your traineeship  
If you would like to extend or shorten your internship, you must notify us via e-mail 30 days before the originally planned end date. You will then receive the document "Learning Agreement\_Changes". This is a modified "mini version" of the Learning Agreement, as the original Learning Agreement is unfortunately not sufficient in such a case. You will also have to fill this "mini version" out according to the above guidelines. The information and data will remain the same except for your actual internship dates. However, there are a few things to consider.
  - Please enter the entire modified internship period and not only the period of shortening or extending.  
Example: initially planned internship period:  
03.05.2020 to 07.08.2020  
+ Extension to 20.09.2020  
to be entered in the "Learning Agreement\_Changes":  
03.05.2020 to 20.09.2020  
NOT 08.08.2020 to 20.09.2020!!
  - All signatures must be obtained again. It is not enough that the original Learning Agreement has been signed. The "Learning Agreement\_Changes" must also be re-signed. This guarantees that all parties agree to any changes.
