Quantitative Trading Camp

Quantitative Trading Camp - German and Swiss Universities

This program is for students who are currently enrolled at German and Swiss Universities. Over 2 days in our London office, participants will engage with mathematical and financial topics—including probability, market structure, and arbitrage—through a combination of short lectures, interactive group games, and mock trading sessions.

Jane Street will cover the cost of your travel and accommodation for the duration of the program.

Who:

Highly quantitative students who are currently enrolled at German or Swiss Universities and expecting to graduate in 2023, 2024 or 2025.
No finance experience is required.

When:

6th & 7th October 2022

Where:

Jane Street London, 2½, Devonshire Square, London EC2M 4UJ

Deadline to apply: 29th August 2022
