

## Declaration of insurance cover for interns

**STUDENT UND ARBEITSMARKT**  
Career Service der Ludwig-Maximilians-Universität München

### Personal details

Name:

First name:

The following insurance policies are to be arranged by the student for the duration of their stay abroad, and evidence of this must be provided on this form: internationally valid health insurance, accident and repatriation insurance, and personal liability insurance.

The DAAD offers a special combined health, accident, and personal liability insurance for 32.00 euros per month (further information and registration under <https://www.daad.de/versicherung/allgemein/bedingungen/de/14380-daad-versicherung-zielland-ausland/>; intern tariff 720).

### Insurance companies

Name of health insurance provider:	Policy no.:
Name of accident insurance provider:	Policy no.:
Name of private liability insurance provider:	Policy no.:

It is obligatory to clarify with your employer whether they provide accident and liability insurance at the workplace\* if your internship at the company is not already covered by the insurance cover of your university / tertiary institution or by another insurance policy.

Student und Arbeitsmarkt is not liable for the consequences of non-insurance or underinsurance.

**I declare that I have been informed of the need for adequate insurance cover and that I have adequate insurance coverage in place for the duration of my internship abroad.**

Date:

Intern's signature:

\*This insurance coverage is not provided by employers in France! In other countries, this insurance is usually provided by the employer. This must be clarified in each individual case. The DAAD insurance for interns guarantees insurance coverage through liability insurance at the workplace or place of employment worldwide.
